July Reductions NOW
To be able to have now as you wish in July of other years—this fact alone is bringing thousands. But other thousands are hurrying here because they know that George Clothes are just a year ahead of Ready-made styles, shapes, patterns & colors. Many things here to-day that lots of best Merchant Tailors will not have until next season. As for fit and tailoring, George Clothes are the product of scores of American, Cleveland, Custom Tailors working during their dull seasons. You can just imagine how they tower above the factory chopped Ready-mades. These are the reductions:

- \$15 Now \$10.00
- \$18 Now \$12.00
- \$20 Now \$13.50
- \$25 Now \$15.00
- \$28 Now \$18.00
- \$30 Now \$20.00
- \$35 Now \$22.50
- \$40 Now \$25.00

In spite of these big reductions, alterations will be made \$2.50. Open daily 10:00 to 9:00. Saturday 10:00 to 6:00. 1311 10th St.

ANOTHER HARD BUNCH TO DOWN on the diamond confront the Pirates this week as the Pirates are in a bad mood just now after the various reverses suffered at the hands of the low teams and when they once get started it will take some hard pulling to keep them from running away. They haven't forgotten what the Doves did to them on their own grounds in breaking even and will take no chances if they see any opportunity to annex every game played here.

AT LAST THE ATHLETICS ARE booked off that top place at the head of the American League and the New York Highlanders replace them but they will be lucky to hold away very long. Mack's crippled team is beginning to feel the effects of the western trip so soon while the healthy teams are coming along, so look out for more tumbling by the squabblers.

THERE PROMISES TO BE MORE than ordinary interest in swimming this Summer and several of the "bunches" will endeavor to negotiate that Boston Rights journey before the season closes. I understand that a few of the fair sex have been training all Winter at the indoor swimming pools to get in trim to meet Annette Kellerman's attempt to reach the light and down around Quiber there are some dark horses who are especially sure that they will make themselves famous by doing the hard stunt.

THERE IS UNDERSTANDING IN THAT scrap between Eddie Murphy and Dave (twister) at the Army next Tuesday for they are the top of the class. Both boys have a legion of friends around here who believe that this second test in the ring will settle once for all who is the better boy, as the last match was rather unsatisfactory.

Straight Tip—Could you inform me in your usual column, where Mackay, Ben, Glavin is at present, and where they next stop will be after they leave the "Big City" this Summer? N. H. HEADER.

Blazing News, are you shooting out West? Could not tell you the town.

NAVY NIGHT AT AMERICAN A. C.

Tonight is Navy night at the American Athletic Club where the pick of the bachelors from the battalions are in the best and swiftest measure measure their skill with the paddled gloves.

The regular weekly show of the American A. C. will be held on Thursday night when Steve Kennedy, the Lawrence crack, will meet Alf Lynch, the bantam champion of Canada. Is the final bout.

DARTMOUTH ON WAY TO HARVARD

HANOVER, N. H., June 6.—The Dartmouth baseball team leaves today for Boston, where it will play Harvard Tuesday afternoon. They will go directly to the Cooper Square Hotel and remain there in the game.

The team will practice on Soldiers Field. They will be without the services of "Doc" Emerson, the star little left fielder who broke a bone in his ankle in practice two weeks ago. Emerson will take his place. Emerson will accompany the team and watch the game from the bench. Although not a star player on the field, Emerson will catch the team's hand line sufficiently good to be called upon. Emerson will catch the team's hand line sufficiently good to be called upon.
